mats, rugs & runners  
summer 2022

Made for YOU!

Studio 67 mats, rugs and runners are all about style combined with incredible durability. Our designs and patterns complement any décor and are a breeze to clean; just pop them into your washer (yes, your washing machine at home will do the job) and the dryer takes care of the rest!

We craft decades of mat-making experience into high-performing products that will blend seamlessly into your home. The plush, low-profile nylon surface is bonded to a slip-resistant rubber backing that does not slide or get caught under doors. The “one piece” construction is non-porous so your floors will stay dry.
