

	EU DECLARATION OF CONFORMITY No. 1/2026 PACKAGING: Packaging type No. 2
MANUFACTURER	Kleen-Tex Polska Sp. z o. o. Fabryczna 5/12, 26-130, 26-130 Suchedniów +48 /41 267 25 00, info@kleen-tex.pl

This declaration of conformity is issued under the sole responsibility of the manufacturer.

Subject of the declaration	PACKAGING: Paper (cardboard, labels, leaflets), hanger + stretch foil + rebates + adhesive tape, stickers (logistics unit, courier), pallet (depending on the size of the order)
Packaging description	Packaging is a multi-material packaging system designed to protect, store, transport, and identify a product. It consists of the following elements: • paper materials (cardboard, labels, leaflets) with protective, informational and identification functions, • a hanger made of HDPE plastic with a load-bearing function, enabling the hanging and display of the product, • stretch foil used to stabilize the load and protect it against mechanical damage and external factors, • document rebates enabling safe attachment of transport documents, • adhesive tape used to close and secure bulk packaging, • stickers (logistics and courier units) used to identify, track and logistic service of shipments, • pallets (used depending on the size of the order), providing a load-bearing function and enabling transport and storage. The packaging system was designed to ensure adequate product protection throughout the entire logistics lifecycle, while minimizing the amount of materials used. Most of the components used are recyclable and were selected with sustainable packaging design requirements in mind, in accordance with applicable EU regulations.

The subject of the declaration complies with the relevant provisions of EU harmonisation legislation :

- Regulation (EU) 2025/40 of the European Parliament and of the Council (PPWR) on packaging and packaging waste
- Directive 94/62/EC on packaging and packaging waste
