

Technical Specifications

Surface:	100% Polyamide (recycelt Content)
Backing:	100% Nitrile Rubber
Colouration:	Dyed-through yarn
Pattern:	2-colour tufting indentation
Backing Type:	Lightweight, flexible flat backing
Total Height:	9mm
Total Weight:	1800g/m ² (+/- 3%)
Border:	10mm

Customs tariff number: 57032098

Recycled Materials

OEKO-TEX® STANDARD 100

Inspected Quality certificate

Sizes and Weights

50cm x 75cm	≈ 0.68kg
60cm x 90cm	≈ 0.97kg
75cm x 120cm	≈ 1.62kg

All weights are approximate weights. Please note our size and colour tolerance of +/- 3 %.

Care

Before first use, wash your wash+dry Revive mat separately according to the care label at 60°C and with a mild detergent. This straightens the fibres, activates the mat's pile and smooths out any creases and folds caused by transport. Spin the mat on a low setting at approximately 800 rpm.

Put the mat in the dryer and select the „Easy care“ or „Mixed Fabric“ programme.

As an alternative to the dryer, you can also lay the mat out flat to dry. Please consider the maximum load capacity of your appliances. Clean your wash+dry doormat 3 to 4 times a year (or more often if it is heavily used).

Bleaching, ironing, and dry cleaning are not recommended.

Properties

- 5-year guarantee
- Manufactured in a resource-saving way with recycled materials
- Extremely dirt-resistant due to the 2-colour patterned surface
- Made in Europe
- Hygienically clean
- Washable up to 60°C and suitable for tumble drying
- Ideal for allergy sufferers and pet owners
- High colour brilliance as well as colourfast and lightfast
- Non-slip and PVC-free
- Suitable for underfloor heating
- Impact sound absorbing
- Very flat, fits under almost any door
- Areas of application: Kitchen, living room, hallway, around the entrance, conservatories, child's room, around the patio door or in the car boot
- Manufactured according to ISO 14001:2015

In the case of PVC, linoleum, laminate and wooden floors, discolouration may occur due to a reaction with rubber-coated mats.
