

Kleen-Fit Concourse Tile

Technical Datasheet

Product:	Kleen-Fit Concourse Tile	Material:	100 % natural SBR Rubber
Category:	Fitted Entrance System Tile System	Note:	Whilst these tiles are flexible deliberate bending should be avoided
Typical Applications:	Commercial indoor and outdoor use Entrances Public Buildings	Burning Behaviour:	Hot Metal Nut BS4790 (Low Radius)
		Temperature Resistance:	-20 °C - +70 °C
Total Product Height:	18mm	Slip Resistance:	TM 144 Satra Tested
Total Product Weight:	13kg/sqm		
Module Size	50 x 100cm Module system allows for unlimited size options		
Customs Tarriff Number:	40169100		
Origin	Made In Europe
